# Eric Joyner

Eric Joyner is a Senior Vice-President with Cardinal Health, as the leader of Commercial Enablement and Customer Experience for the Pharmaceutical Segment. Originally from Maryland, then Atlanta, he (and his wife Maureen) moved to New Albany to be closer to family in 2013. They have two children, Darrin (15) and Aeva (13). While exploring New Albany neighborhoods, they were drawn to New Albany Links because of the sense of community and the family-oriented atmosphere that they observed. Eric holds an undergraduate degree from Morehouse College and an MBA from the University of North Carolina at Chapel Hill. In his free time, he enjoys photography and finding new music to enjoy, but mostly loves soaking up time with family. Eric is interested in continuing with the board to help ensure that we maintain the beauty of our neighborhood, and also support mechanisms to keep our children safe.

# Sara Goerlitz

My name is Sara Goerlitz and my family relocated to New Albany six years ago and fell in love with this community. You will often find either myself, my husband or one of our two children at the pool, pub, working in the yard, or just out walking our dog. I believe in the importance of maintaining our community's curb appeal and home values, while fostering a warm and welcoming environment for all residents. I'm committed to making our neighborhood a fun and friendly place to call home while watching out for the best interests of the New Albany Links community and all the upcoming developments surrounding it. I'm excited to represent my fellow neighbors on our HOA board.
